MEMORANDUM FOR: Director of Central Intelligence

FROM:

[Redacted]
Acting Director, Office of External Affairs

STAT

SUBJECT: Requests for Interviews

1. After seeing David Wise's article on you in the 11 July 1982 issue of The Newsday Magazine (Long Island), both Robert Toth, Los Angeles Times, and John Scali, ABC News, have inquired about the status of their long-standing requests for similar interviews. Toth and Scali both made veiled references to favoritism, but Public Affairs is unaware of any pressing reason to push either to the head of the line. There are currently 20 such requests on hand for exclusive interviews with you.

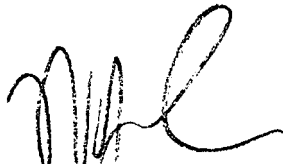

2. Recommend you authorize Public Affairs to decline on the basis of your busy schedule.
